

2024 Alera Group Dental Plan Benefits

You can choose from three different dental plan options, all provided through Cigna:

- **The Basic and Enhanced DPPO plans** provide coverage when you use **Total Cigna PPO** providers and out-of-network providers. Generally, you'll save money when you use Total Cigna PPO providers.
- **The DHMO plan** provides coverage only when you use **Cigna Dental Care Access Plus** providers. Out-of-network benefits are not available in this plan.

The following summarizes in-network benefits only. For additional details, refer to the Plan Summaries and Booklets available through the [Alera Group Benefits Center](#).
