

How to Find Care

The Accolade Find Care tool can help you locate an in-network doctor, specialist or healthcare facility like a hospital or urgent care center. It's simple and easy to use. Follow the steps below to find the right care for you and your family.

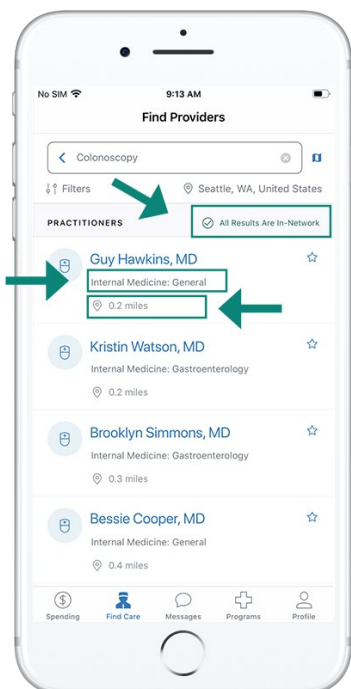

Get started with the Accolade Find Care tool

Step 1

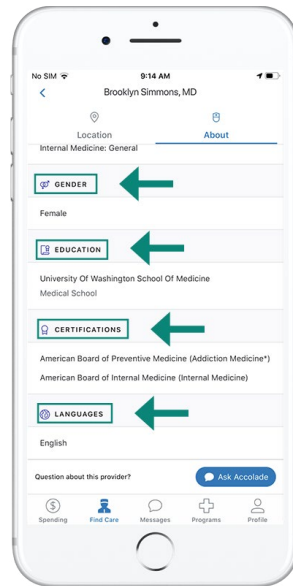

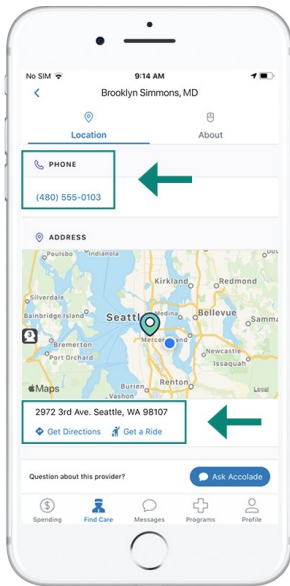

Visit member.accolade.com or open the **mobile app**. Log-in, or register if you need to create an online account. Select **Find Care**. To find a provider, enter your search criteria and confirm search location.

Step 2

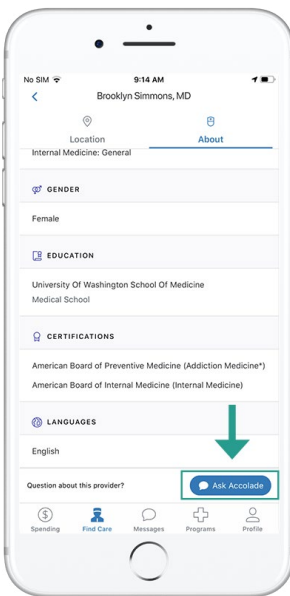

You will see a list of in-network providers, their primary specialty, and distance from your search location.

Step 3

Select a provider and explore the **Location** tab to see a map and contact information. Select the **About** tab for more information on gender, education, certifications and languages.

Step 4

Click on **Ask Accolade** to speak with a Health Assistant who can provide in-depth insights to help you find a doctor who matches your preferences and is experienced in the care you need.

They can also help you narrow down your choices, answer any question you have, and even help you schedule an appointment.
