Communication Your Way.

Fast, easy, secure access to your Blue Cross and Blue Shield of Illinois account is as easy as sending a text.

Go digital and share how you want us to communicate with you.

Prefer texting? Sign up for claims and benefit information, health tips and prescription reminders. Or, text us to find a physician or urgent care center. If email is your thing, add your email address under contact information and we'll send claim processing alerts and health tips right to your email inbox.

Love to surf the web on a laptop, PC or phone? We've got you covered. No more waiting for snail mail to see your explanation of benefits. While you're online, you can sort, organize and download up to 18 months of your claims history. It's up to you. Let us know and we'll provide communication your way.
